

WHAT THIS FREE PREVIEW COVERS

This short free PDF gives you the basic Greece route shape and a few planning checks before you decide whether the full Premium guide is useful for your trip.

SIMPLE ROUTE SPINE

Athens 2 nights, Santorini 3 nights, Crete 4 nights, departure buffer 1 night

TOP PLACES

Athens, Santorini, and Crete are the core places used for this preview. Use them as a starting route, then adjust the number of nights around your travel style.

FREE VERSION LIMIT

This preview is intentionally brief. It does not include the full hotel-base logic, detailed transport decisions, food and budget notes, common mistakes, or final booking checklist.

Use this before buying flights or hotels

ROUTE CHECK

Confirm Athens, Santorini, and Crete each have a clear purpose. If the route feels rushed, remove one base before cutting every day short.

STAY CHECK

Before booking hotels, check whether the area supports morning sightseeing, evening food, transport access, and easy returns after long days.

TRANSPORT CHECK

Use ferries or domestic flights with buffers; never put an island transfer immediately before a long-haul departure.

FOOD AND BUDGET REMINDER

Tavernas, gyros, Greek salads, seafood, bakeries, Cretan dakos, olive oil, wine, mezze, and sunset meals. Santorini caldera stays and transfers raise costs; Athens and Crete can provide better value with careful bases.

UPGRADE TO PREMIUM

The Premium Greece guide expands this preview into a 10-page planning PDF with route details, stay strategy, booking order, mistakes, and a final checklist.
