

WHAT THIS FREE PREVIEW COVERS

This short free PDF gives you the basic Italy route shape and a few planning checks before you decide whether the full Premium guide is useful for your trip.

SIMPLE ROUTE SPINE

Rome 4 nights, Florence 3 nights, Venice 2 nights, departure buffer 1 night

TOP PLACES

Rome, Florence, and Venice are the core places used for this preview. Use them as a starting route, then adjust the number of nights around your travel style.

FREE VERSION LIMIT

This preview is intentionally brief. It does not include the full hotel-base logic, detailed transport decisions, food and budget notes, common mistakes, or final booking checklist.

Use this before buying flights or hotels

ROUTE CHECK

Confirm Rome, Florence, and Venice each have a clear purpose. If the route feels rushed, remove one base before cutting every day short.

STAY CHECK

Before booking hotels, check whether the area supports morning sightseeing, evening food, transport access, and easy returns after long days.

TRANSPORT CHECK

High-speed trains make the route simple when hotels are near useful stations and luggage is kept manageable.

FOOD AND BUDGET REMINDER

Trattorias, espresso bars, gelato, markets, Florentine steak, cicchetti, fresh pasta, and regional wine. Budget for central hotels, timed museums, rail tickets, Venice lodging, local taxes, and one or two special meals.

UPGRADE TO PREMIUM

The Premium Italy guide expands this preview into a 10-page planning PDF with route details, stay strategy, booking order, mistakes, and a final checklist.
