

WHAT THIS FREE PREVIEW COVERS

This short free PDF gives you the basic Portugal route shape and a few planning checks before you decide whether the full Premium guide is useful for your trip.

SIMPLE ROUTE SPINE

Lisbon 4 nights, Porto 3 nights, Algarve 2 nights, departure buffer 1 night

TOP PLACES

Lisbon, Porto, and Algarve are the core places used for this preview. Use them as a starting route, then adjust the number of nights around your travel style.

FREE VERSION LIMIT

This preview is intentionally brief. It does not include the full hotel-base logic, detailed transport decisions, food and budget notes, common mistakes, or final booking checklist.

ROUTE CHECK

Confirm Lisbon, Porto, and Algarve each have a clear purpose. If the route feels rushed, remove one base before cutting every day short.

STAY CHECK

Before booking hotels, check whether the area supports morning sightseeing, evening food, transport access, and easy returns after long days.

TRANSPORT CHECK

Rail works well between Lisbon and Porto; the Algarve needs careful base choice and sometimes a car.

FOOD AND BUDGET REMINDER

Pastel de nata, seafood, tascas, wine bars, port tastings, markets, grilled fish, petiscos, and simple neighborhood meals. Portugal can be good value, but Lisbon popularity and summer beach demand require early hotel booking.

UPGRADE TO PREMIUM

The Premium Portugal guide expands this preview into a 10-page planning PDF with route details, stay strategy, booking order, mistakes, and a final checklist.
