

WHAT THIS FREE PREVIEW COVERS

This short free PDF gives you the basic Spain route shape and a few planning checks before you decide whether the full Premium guide is useful for your trip.

SIMPLE ROUTE SPINE

Barcelona 3 nights, Madrid 3 nights, Seville 3 nights, departure buffer 1 night

TOP PLACES

Barcelona, Madrid, and Seville are the core places used for this preview. Use them as a starting route, then adjust the number of nights around your travel style.

FREE VERSION LIMIT

This preview is intentionally brief. It does not include the full hotel-base logic, detailed transport decisions, food and budget notes, common mistakes, or final booking checklist.

Use this before buying flights or hotels

ROUTE CHECK

Confirm Barcelona, Madrid, and Seville each have a clear purpose. If the route feels rushed, remove one base before cutting every day short.

STAY CHECK

Before booking hotels, check whether the area supports morning sightseeing, evening food, transport access, and easy returns after long days.

TRANSPORT CHECK

Use high-speed rail between main cities and avoid adding extra cities unless the trip is longer than ten days.

FOOD AND BUDGET REMINDER

Tapas, markets, seafood, vermouth bars, churros, late dinners, jamon, Andalusian dishes, and neighborhood cafes. Spain can be strong value, but Barcelona hotels, timed architecture tickets, rail fares, and Seville peak dates need planning.

UPGRADE TO PREMIUM

The Premium Spain guide expands this preview into a 10-page planning PDF with route details, stay strategy, booking order, mistakes, and a final checklist.
