

United Kingdom Free Travel Guide Preview Page 1/2

2-page free preview | London | Edinburgh | Cotswolds

WHAT THIS FREE PREVIEW COVERS

This short free PDF gives you the basic United Kingdom route shape and a few planning checks before you decide whether the full Premium guide is useful for your trip.

SIMPLE ROUTE SPINE

London 4 nights, Edinburgh 3 nights, Cotswolds 2 nights, departure buffer 1 night

TOP PLACES

London, Edinburgh, and Cotswolds are the core places used for this preview. Use them as a starting route, then adjust the number of nights around your travel style.

FREE VERSION LIMIT

This preview is intentionally brief. It does not include the full hotel-base logic, detailed transport decisions, food and budget notes, common mistakes, or final booking checklist.

Use this before buying flights or hotels

ROUTE CHECK

Confirm London, Edinburgh, and Cotswolds each have a clear purpose. If the route feels rushed, remove one base before cutting every day short.

STAY CHECK

Before booking hotels, check whether the area supports morning sightseeing, evening food, transport access, and easy returns after long days.

TRANSPORT CHECK

Use trains for London and Edinburgh, then choose rental car, guided tour, or targeted village bases for the Cotswolds.

FOOD AND BUDGET REMINDER

Markets, pubs, afternoon tea, Sunday roasts, bakeries, whisky, fish and chips, Indian restaurants, and farm shops. London hotels and late rail fares can be expensive, while free museums help balance paid castles, gardens, and countryside transport.

UPGRADE TO PREMIUM

The Premium United Kingdom guide expands this preview into a 10-page planning PDF with route details, stay strategy, booking order, mistakes, and a final checklist.
